# BUILDING TRUST AND RAPPORT WITH TEAM MEMBERS

workblis.

INTRODUCTION:

Building trust and rapport with team members is essential for successful collaboration in the workplace. In this skills training program, employees and managers will learn how to build trust and rapport with team members in order to enhance their ability to work effectively with colleagues, clients, and partners.

Training Aims and Objectives:

- Understand the importance of building trust and rapport with team members for collaboration
- Learn how to build trust and rapport with team members in a collaborative setting
- Practice building trust and rapport through role-playing and group exercises
- Enhance communication skills and effectiveness in a collaborative setting

Methodology:

- Lectures and discussions on the theoretical foundations of building trust and rapport in a collaborative setting
- Role-playing and group exercises to practice and apply trust-building and rapport-building techniques

Frameworks covered:

- The role of communication, empathy, and transparency in building trust and rapport
- The use of teambuilding and conflict resolution techniques in building trust and rapport
- The role of leadership and management in facilitating trust and rapport building

Conclusion:

By the end of this session, participants will have a solid understanding of how to build trust and rapport with team members in order to enhance their ability to work effectively with colleagues, clients, and partners.
They should be able to build trust and rapport with team members in a collaborative setting, which will improve communication skills and effectiveness in a collaborative setting.
