

NAVIGATING THE HOME BUYING PROCESS:

Tips and Strategies for First-Time Buyers

Length: 60mins (presentation only), 90mins (includes practical exercises)

Delivery Option: Face-to-Face, Virtual

INTRODUCTION:

Buying a home is an exciting and rewarding experience, but the home-buying process can also be complicated and overwhelming, especially for first-time buyers. From finding the right property to securing financing, there are many important steps and decisions to make along the way.

In this session, individuals will learn about practical techniques for navigating the home-buying process, such as identifying the right location and property, understanding the mortgage process, and managing the closing process. They will also learn about strategies for negotiating a fair deal and avoiding common pitfalls.

Content Outline:

- Determining readiness for homeownership
- Understanding the home buying process and key players
- Assessing your budget and financing options
- Finding and evaluating properties
- Making an offer and closing the deal
- Maintaining and improving your home

Methodology:

- Interactive group discussion and activities
- Review of real-life examples and case studies
- Hands-on exercises to assess budget and evaluate properties

Conclusion:

By the end of the session, participants will be equipped with the knowledge and tools they need to take control of the home-buying process and achieve their dream of homeownership. They will have the confidence to make informed decisions about their home purchase and the ability to plan for their financial future as homeowners.
