

POP-UP SMOOTHIE BAR SERVICE

Fuel Your Body, Refresh Your Mind!

INTRODUCTION:

Incorporating a Pop-Up Smoothie Bar in your workplace is a great way to promote employee health and well-being, while also providing a fun and engaging experience.

This session holds numerous benefits for both physical and mental health, including promoting healthy eating habits, boosting energy levels, and increasing social interaction.

With our mobile set-up and customizable menu, we make it easy and hassle-free to bring this exciting initiative to your workplace.

Service Provision:

- Our team of smoothie makers will come to your workplace and set up a pop-up smoothie bar, complete with fresh fruits and vegetables, blenders, cups and straws.
- Employees can choose from a variety of options that are known to promote good health.
- We can accommodate groups of any size, from small offices to large corporations, and we will work with you to create a menu that meets your specific needs.

Benefits for employees:

- Promotes healthy eating: smoothies are a delicious and nutritious way to get the vitamins and minerals that the body needs to function properly.
- Boosts energy levels: the nutrients found in smoothies can help to improve energy levels and overall well-being.
- Encourages social interaction: a pop-up smoothie bar provides a fun and engaging way for employees to connect with one another in a relaxed and supportive setting.
- Convenient and hassle-free: with our mobile set-up, we bring the smoothie bar to you, making it a convenient and hassle-free experience.

Availability:

- Session Length: 1-3hrs; Full Day; Weekly/Monthly Pop-Ups
- Participant Numbers: From 65 servings to 500+ servings
